Important Information

CONTINUOUS INSURANCE ENFORCEMENT and the MOTOR INSURANCE DATABASE Information relating to your policy will be added to the Motor Insurance Database ('MID') managed by the Motor Insurance Bureau ('MIB'). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

I Electronic Licensing

II Continuous Insurance Enforcement

III Law enforcement (prevention, detection, apprehension and or prosecution of offenders)

IV The provision of government services and or other services aimed at reducing the level and incidence of uninsured driving.

If you are involved in a road traffic accident (either in the UK, EEA or certain other territories), insurers and or the MIB may search the MID to obtain relevant information.

Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain information which is held on the MID. It is vital that the MID holds your correct registration number. If it is incorrectly shown on MID you are at risk of having your vehicle seized by the Police.
